# JOIN FUSION NOW

## THE INDUSTRY-LED ASSOCIATION FOR FUSION ENERGY IN EUROPE

### WHY NOW?

Europe is moving fast on nuclear fusion energy and the opportunity to join forces is now.

With the support of the GO4FUSION project, funded by EURATOM, the Industry-Led Association for Fusion Energy in Europe, FUSION NOW, was created in summer 2025 to establish, with the European Commission, a Partnership to accelerate fusion development and unlock new funding opportunities for the sector.

### WHY JOIN?

- ✓ Help shape the Strategic Research and Innovation Agenda (SRIA)
- ✓ Engage in a European Partnership co-programmed with the European Commission.
- ✓ Ensure your priorities are represented directly to the European Commission
- ✓ Collaborate with industry, SMEs, start-ups, research institutions, and academia
- ✓ Obtain the latest information on opportunities for co-funding and innovative projects
